DEDICATION

Mr. Erbe has influenced almost everyone who has gone through Cohasset High School. His incredible curiosity, his ingenious experiments, and his unique wit have continually entertained and stimulated science students. A favorite among seniors, Mr. Erbe will long be remembered for his caring and concern. Although he retires this year after thirty years at Cohasset High School, Mr. Erbe will always be, to many seniors, "The Man." As you often say to us, Mr. Erbe, "Drive Safe."

If you are a student at C.H.S., you know Mrs. Sullivan, the Guidance secretary. Whatever the need, students know Mrs. Sullivan will help them. Always giving an extra word of encouragement, she reliably carries out the requests from Mrs. Porter and Ms. Babaian as well as those from students and parents. Although she has only been here since 1990, her interest in students, her welcoming smile, and her endless supply of candy have endeared her to many, particularly those anxious seniors finishing college applications. Thanks for your help (and the great candy!)

SONGS & DANCES & STUFF

☆ Starring the CHS Class of 1994 ☆

Written and Directed by Ron Emmons

Dance and Movement Coordination by Sharon Weber

Congratulations to the Class of 1994! Of the 72 class members, 51 are appearing on stage tonight. Many of the stage-shy are working in backstage and front-of-house jobs; they are as much a part of this show as the performers.

This is what a senior show should be. No class member who was willing to make a commitment was refused a chance to participate. The performers have been a wonderfully easy group to work with from the first meeting two months ago to the last rehearsal. I'm especially thankful for the snow day that gave me a chance to write a script for the framework of this show. It came out of the enthusiasm I felt from the class at the organizational meeting; unknown and carefully hidden talents emerged. My only regret is that so many people didn't let Cohasset audiences see their talent during their earlier years here at CHS. In the words of GODSPELL, "If your light is under a bushel,/ You've lost something kind of crucial!"

Sharon and I hope you enjoy the efforts of the class of 1994 as much as we have enjoyed working with them.
